ECUEIL • PREMIER CRU

Champagne **La Réserve Brut**

Assembling:

The Brut Réserve is an assembling of 60% Pinot Noir and 40% Chardonnay. Wines from 2017 and reserved wines are composing this Brut Champagne.

Soil:

Ecueil, village of la Montagne de Reims classified as Premier Cru. Sloping parcels on a soil composed of clay, chalk and sand.

Wine making process:

The grapes collected and manually selected are mashed in a pneumatic winepress. The alcoholic and malolactic fermentations occur in thermo-regulated tanks.

Maturing:

After the assembling and the bottle in, we keep the wines in our cellars during a minimum of five years. After the foaming, the maturing period will give to Champagne its delicacy and discerning flavors. After dosing, during the disgorgement period, the Champagne Brut Réserve has 6 to 7 g/L of sugar.

Tasting recommendations:

Sight: gold and pale yellow.

Nose: butter notes with dried fruits. Aeration gives some nice honey aromas.

Palate: the first mouth is rich and full, the bubble delicate. The Pinot Noir gives power, red fruit and spicy aromas, The Chardonnay, some freshness, pear and candied fruits aromas.

The Champagne Brut Réserve served between 7 to 10°C is suitable for appetisers but can be appreciated with starters, fishes and light meats.
